

Become a member of the COC Patrons of the Arts

Seeking to enhance the artistic life in the Santa Clarita Valley and College of the Canyons' own visual and performing arts programs, COC invites you to become a member now.

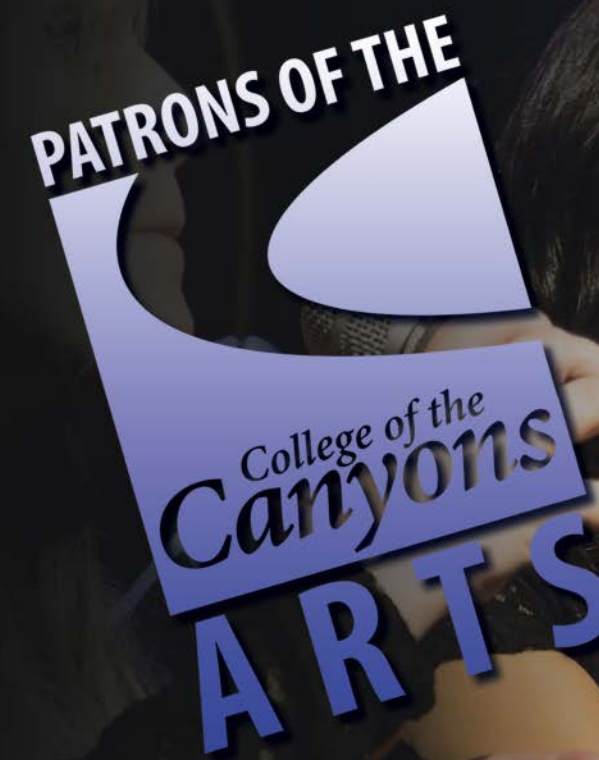

Your annual donation makes it possible to provide the very best artistic and educational arts offerings for our community, including educational programming for students of all ages.

As a Patron, you will support the School of Visual and Performing Arts, the Art Gallery, the PAC K-12 Arts Educational Outreach Program and the Santa Clarita Performing Arts Center.

MEMBERSHIP OPPORTUNITIES

You can play a critical role in helping College of the Canyons achieve its artistic and educational missions by joining the Patrons of the Arts!

When you become a member of the Patrons of the Arts, your annual donations help make possible the very best in artistic and educational offerings each season.

Your contribution supports the most extensive and ambitious visual and performing arts programs in the Santa Clarita Valley – while helping to keep them affordably priced and accessible to all. Donations help fund both the educational programs and COC Presents series of national and international touring artists.

Your gift provides the following:

Programming

- Support for the Santa Clarita Performing Arts Center (PAC) at College of the Canyons as a hub for cultural activities in the community that provides innovative programs to educate, shape, nurture and prepare the next generation of talented visual and performing artists.

- Support for programming designed to educate, enlighten and enrich our students by increasing educationally related offerings in the visual and performing arts.

Education

- Support for COC students in their efforts to develop academic competencies, professional skills and creative abilities necessary to further their professional aspirations.
- Support for the K-12 Arts Education Outreach program, which impacts the developmental growth of every child and strengthens problem-solving and critical-thinking skills, adding to overall academic achievement and school success.
- Support for the COC Presents series of shows, which provides students, and the greater community, with meaningful and personal interactions with visiting artists.
